FOREWORD

The famous B.H.S. spirit has been the inspiration of the staff in compiling our 1949 Annual. We have tried to capture the illusive memories of all phases of high school life. The loyalty for which our school is known will be remembered always. Our purpose is to give you a record of everyday happenings, from our weekly chapel program to our most important football game.

May we relive the pleasures of this year as we turn through these pages.

Annually yours,
The Staff

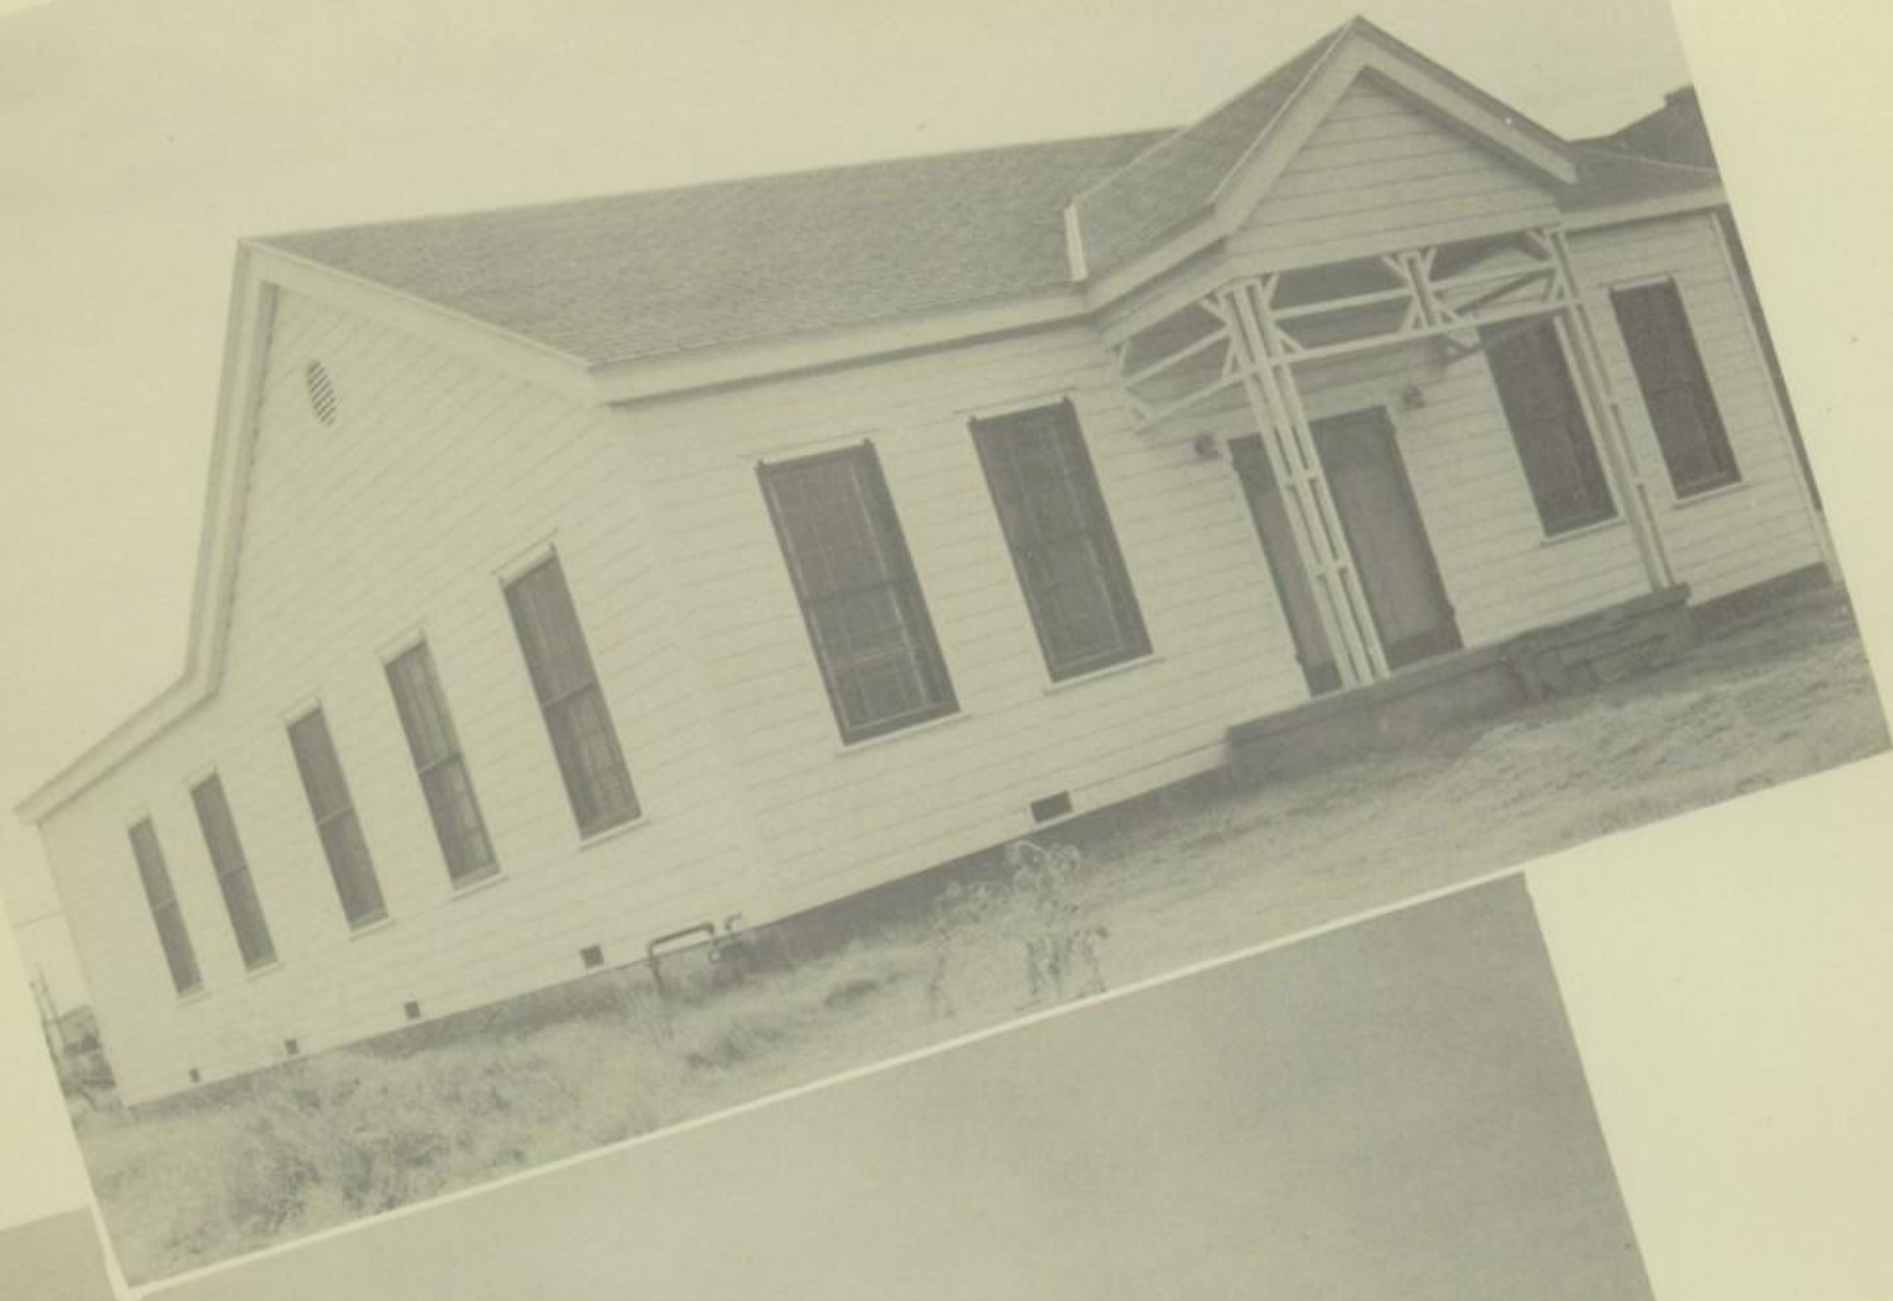

Dedication

It is with much pleasure that the staff of the 1949 Jackrabbit dedicates this annual to Mr. Walter B. Alexander, our superintendent. Mr. Alexander has been more than a superintendent; he has been a friend, advisor, and sympathizer of every student in school.

Thus, we make this dedication as a token of our appreciation and recognition of his splendid service to Bowie High School.

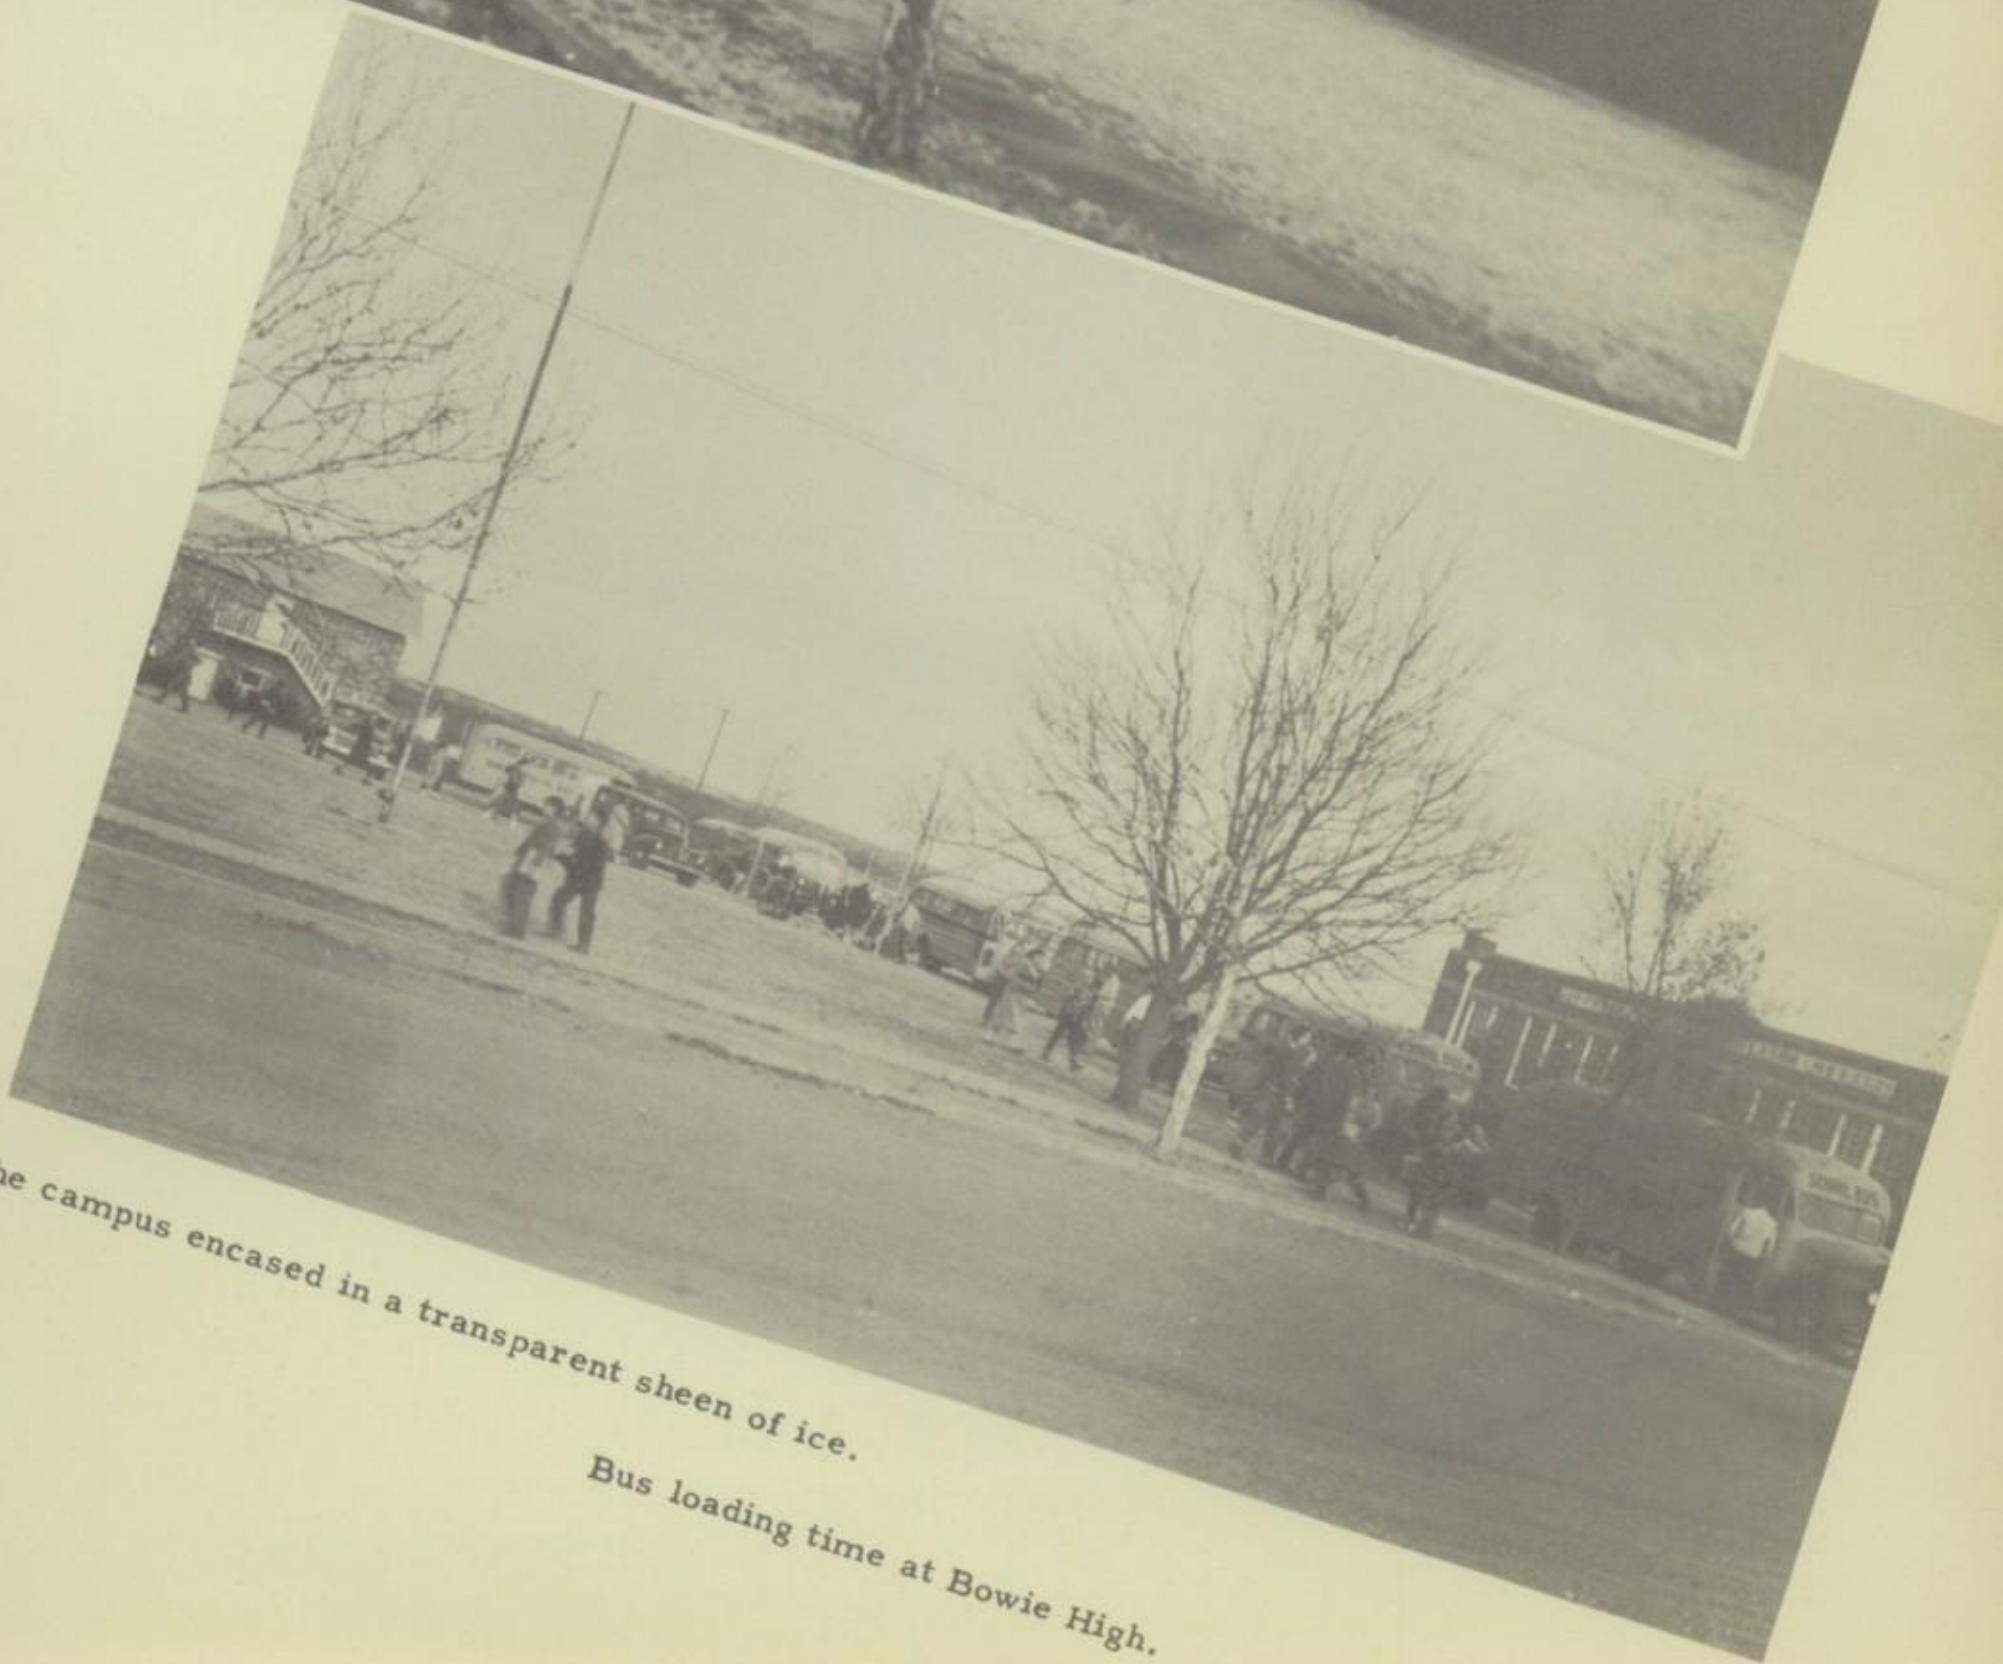

A Dream come true -- our new Band Hall.

Our future shop-building -- being constructed and used by the veterans.

Our school has aimed to a measurable degree to achieve balance between good and evil; between the desirable and the attainable; these being some of the fundamental ingredients of true Americanism and a great goal to achieve.

Your teachers have sacrificed in order to help you pupils to a sympathetic and intelligent understanding of the problems and conflicts of life. These are things that the general public little realizes, but you pupils will realize it in later life as you look back on the school days of 1948-49. Your parents realize it when they see improvement that has taken place in you.

Your superintendent is delighted and pleased when he sees life's balance sheet appear in the fine type of citizen turned out by the plans which he so carefully mapped out for all of you. He says, "Thanks," for the wonderful cooperation of faculty, school board, and a marvelous student body.

The 1948 football season at Bowie High School carried the Jackrabbits to the quarterfinals of the first state class A race. The season marked the second regional title for Bowie in three years and their third consecutive district championship.

Bowie opened the season at home with an easy 19 to 7 win over Olney. A trip to Electra netted a surprise 18 to 6 victory that was much more decisive than the score tells. Bowie was host to the Arlington boys, and a high scoring game ended in a 27 to 21 Bowie win. The Jackrabbits journeyed to Decatur to open their defense of the district title and were held to a 6 to 6 tie in a game that was marked by Bowie fumbles. With a two-weeks' period of preparation, the Bowie Boys invaded Jacksboro and ran rough-shod over the Tigers 39 to 0. The following week the trip to Henrietta was also a lop-sided win, 39 to 0. An undefeated Wichita Falls Rowdie team came to Bowie to get its first defeat and a decisive one---the final score 28 to 0. With the championship at stake, the Bowie boys played well and drubbed the much larger Indians 13 to 0. It was the third year the Indians had failed to score on Bowie. The bi-district game with Holliday was played at the Coyote Stadium in Wichita Falls, and the game was the most thrilling of the season. Bowie won a close one, 14 to 13. The Jackrabbits met Irving in the regional contest at Farrington Field in Ft. Worth and won 20 to 7. The final game was at Dal-Hi with the big New London team from East Texas. Bowie played well, but fell before the East Texans 38 to 12. The loss stopped the Jackrabbits two games short of state title.

Boosters

We would like to express our appreciation to the following firms and individuals for their contributions to the 1949 JACKRABBIT. Not only have they supported the school financially, but continually boost it on every occasion. Again, we say thanks, for they are the ones who always stand behind us and help to make our school what it is--
